UNICEF Jars of Grace and Gift Service – 4 December

For many years the congregation of Pathhead has responded to the **UNICEF appeal** at Christmas time. The idea behind this was that children, and adults, would keep a jar in their kitchen into which they would place a small thanksgiving offering for the food on the table every time they sat down to a meal. At Christmas everyone brings their offering to the church and the money is then sent to UNICEF for their work with children in need at home and abroad.

The Gift service is an opportunity for all of us to give a small present to a child, young person or adult for whom Christmas is not the happy time that it should be. We have been fortunate over the past years to have the willing co-operation of our Health Visitors in the area who visit many needy families in the course of their work. If you wish to bring a parcel please put on the label which age group it is for, eg Baby, Girl/boy aged 1-3, Girl/boy aged 4-6, Teenager, adult, etc. All your gifts are warmly received and this is one way of sharing some of the joy of Christmas with others.
