**Just a note to thank you for your ongoing support for the
foodbank and the people it supports.**

Whilst we are always so appreciative of any donations we receive we do notice that during these early summer months some of the shelves are looking more bare. The donations and stocks may have dwindled but the demand unfortunately hasn't. It takes 33 separate food items (tins, packets, cartons) to make up a food parcel for a family for 3 days. With the summer months approaching families needing help will have the added problem of not getting a school lunch for their children. This is where the foodbank can make a real difference. Please consider an extra push for donations as even just a couple of extra items on a regular basis will really help. Many thanks for all your help and support.

Kind regards

Kerry Horsburgh - On behalf of Kirkcaldy Foodbank.

Financial Update

Since the Tribunal Service no longer use Pathhead Church as its base we will lose its income. Annually this amounts to approximately £11,000. We are conscious that the members of our congregation are very generous to the Church and we hope that they will continue to be as generous given the scale of this new challenge.
