

## **The Light of Christ** - (tune Pathhead)

We thank You Lord, for giving us this day  
Two hundred years in faith along life's way.  
To build a Church so strong,  
And a place we all belong  
For it's Yours, and it's ours, so it's mine

We thank You Lord, for guidance from above  
With grace so pure and everlasting love.  
That light that's shone from You,  
Blessing everything we do  
Makes it Yours, makes it ours, makes it mine.

*Through all the length of time  
That light will always shine  
For it's Yours, and it's ours, so it's mine*

We thank You Lord, for always being there  
With heart-felt love through every little prayer  
Our past is now away  
Live each moment of each day  
For it's Yours, so it's ours, and it's mine

We thank You Lord, for walking by our side  
Your Holy Spirit there to be our guide  
Teach us to heed your voice  
And in all we do rejoice

As it's Yours, so it's ours, and it's mine

*Through all the length of time  
That light will always shine  
For it's Yours, and it's ours, so it's mine*

We thank You Lord, for greatness yet to be  
From strength to strength we'll grow - eternally  
Our future starts today  
With Your blessing we can say  
It is Yours, It is ours, It is mine

*Through all the length of time  
That light will always shine  
For it's Yours, and it's ours, so it's mine*
